The gloomy Negami Kurako (Nega for short) is only interested in photography. A girl... with no confidence in herself whatsoever.

She admires a lively girl who is the exact opposite of her, Tsukimiya-san.

She's having dreams and fantasies about having sex with her, but in reality she doesn't have the courage to speak with her.

Somehow, they still end up going out.

That's how the "Angelic Girl" series starts out, soft and innocent. All in all, this is a book of girls touching and embracing each other a lot.

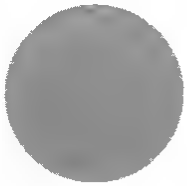
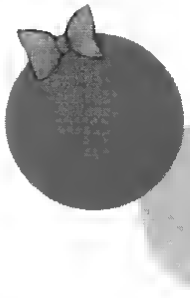
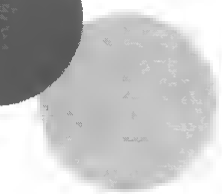
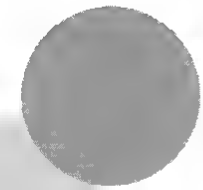
Girls' Union

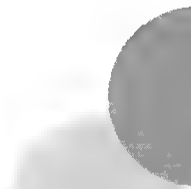


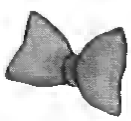


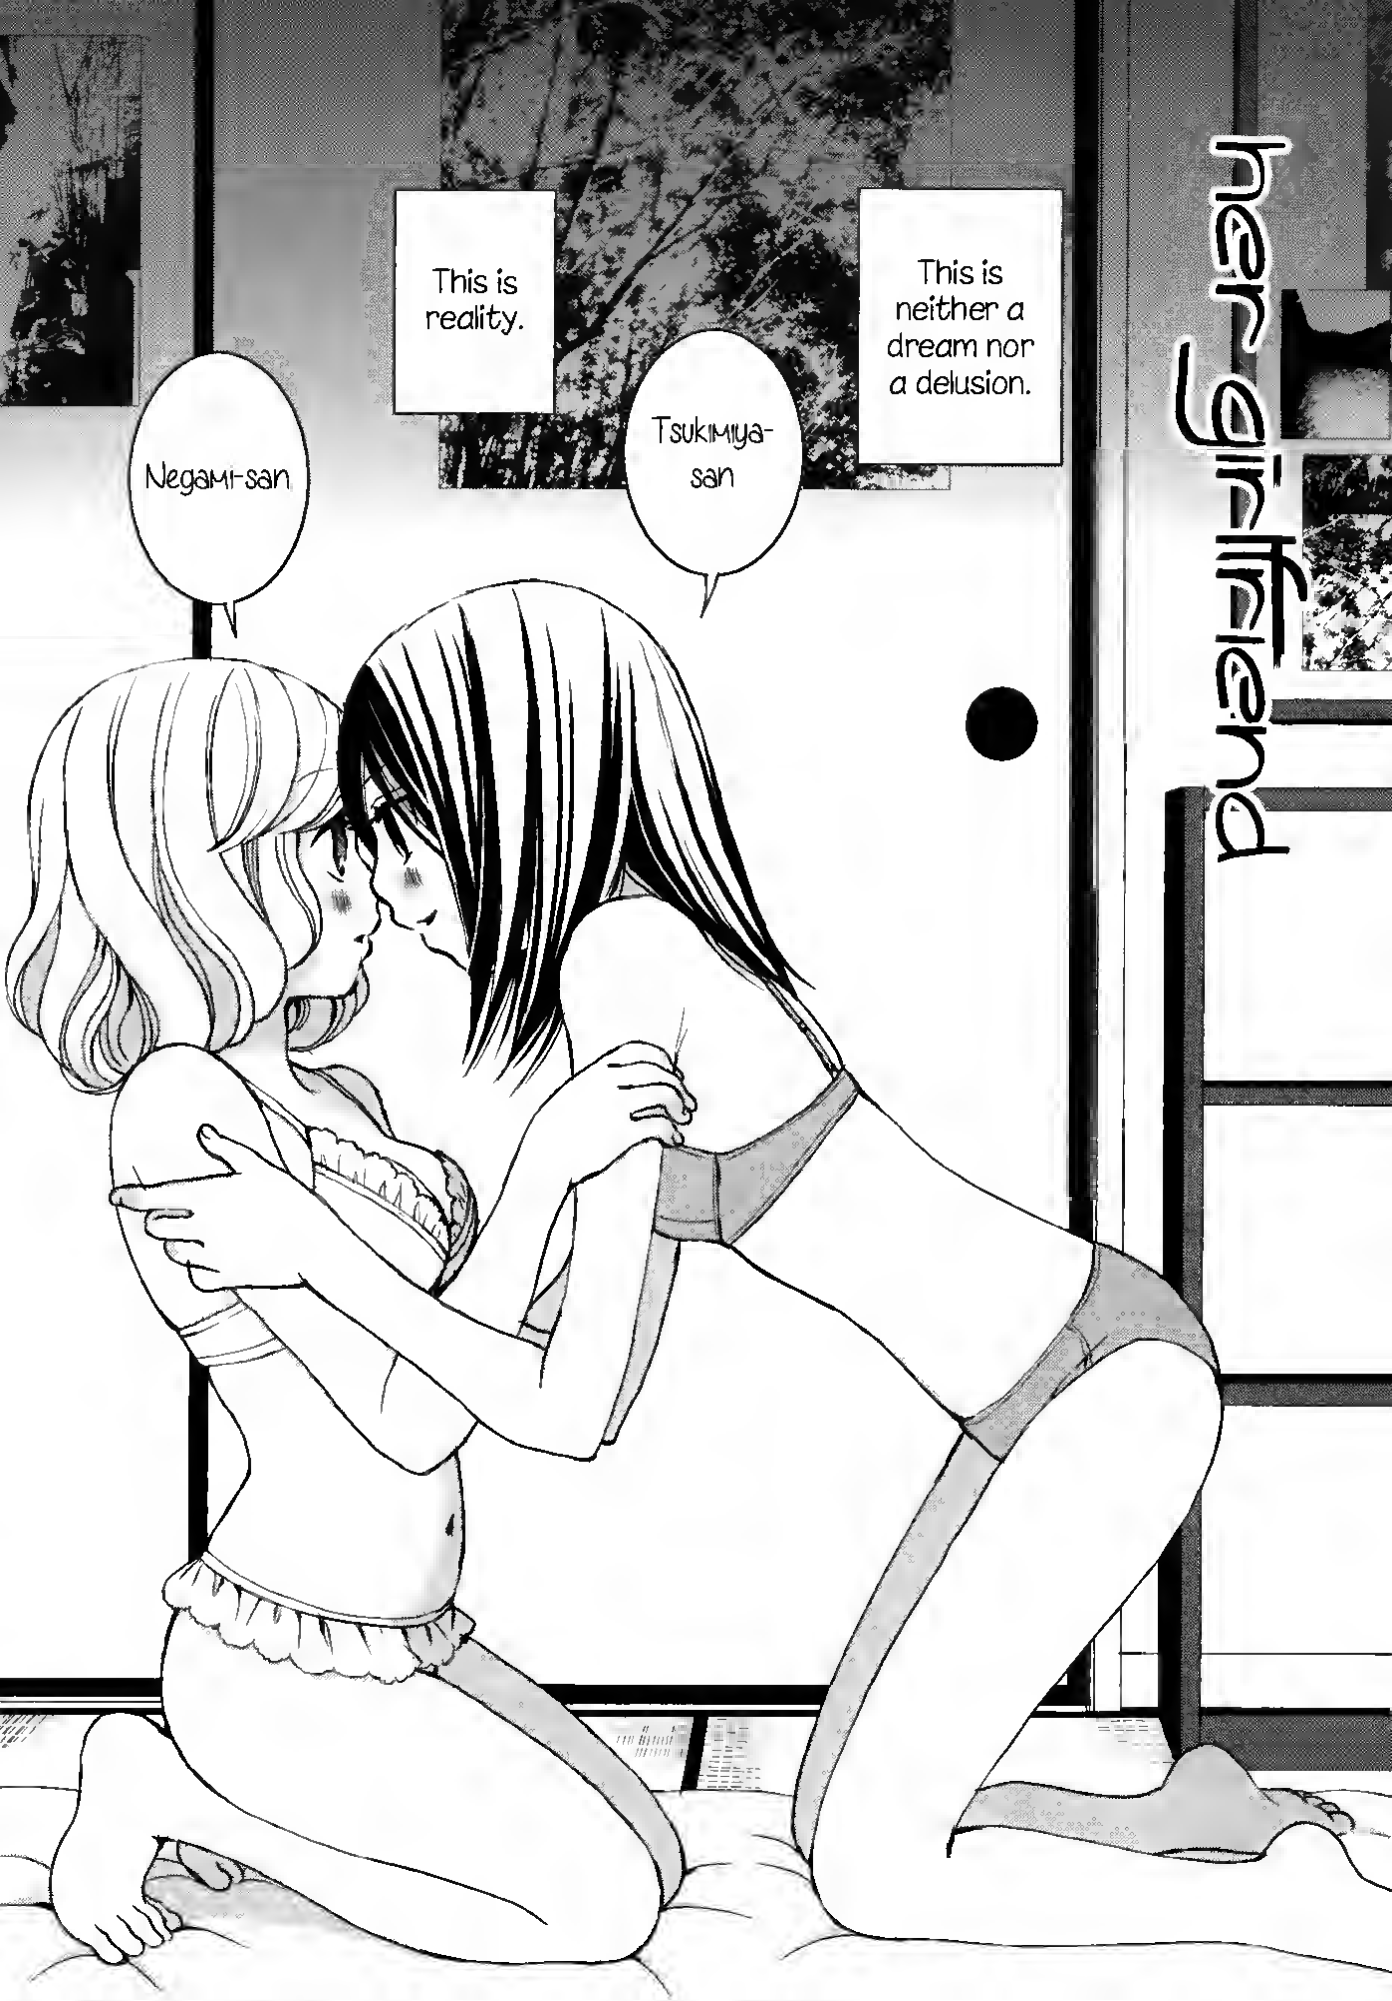


Morishima Akiko Presents

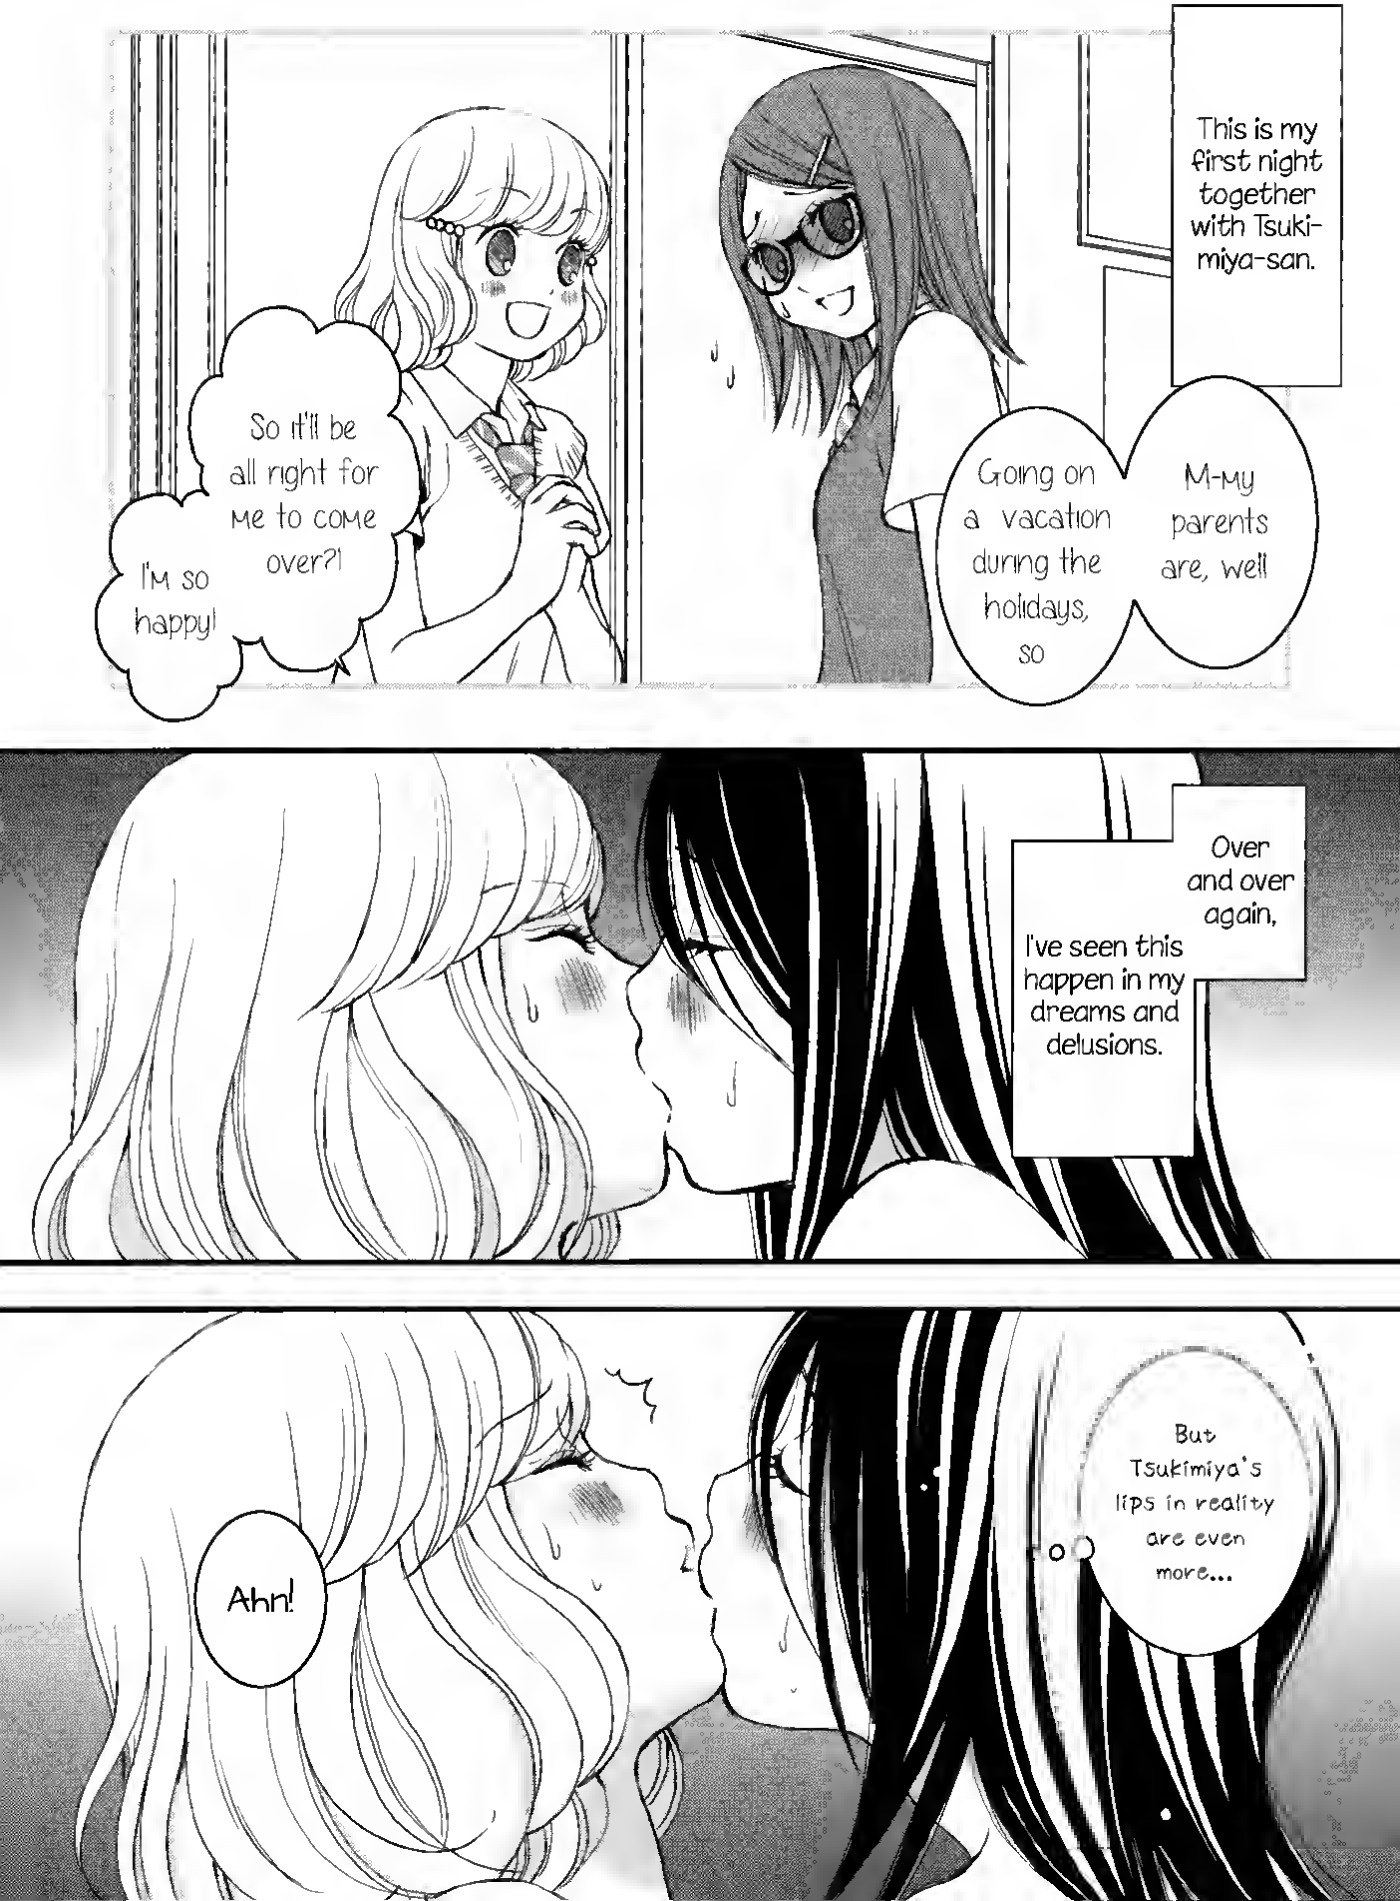








her girlfriend
This is reality.
This is neither a dream nor a delusion.
Negami-san
Tsukimiya-san



This is my first night together with Tsukimiya-san.
M-my parents are, well
Going on a vacation during the holidays, so
So it'll be all right for me to come over?!
I'm so happy!
Over and over again,
I've seen this happen in my dreams and delusions.
But Tsukimiya's lips in reality are even more...
Ahn!

Tsukimiya-san I love you
slip
!
I love you so much
And now...
Tsukimiya's body is even more...
Ah!
Th-
This isn't...
STOP!
W-wait, Negami-san!
flinch
Please wait!

"Stop"?
"This isn't okay"?
I'm so sorry!
Eh?
I- I'm so sorry. Maybe this isn't okay just yet.
Is that so?
I-
I wonder if they had a fight.
She must've meant they didn't have sex, right?
Like one of them felt nervous just before or something.
Skipping class and making out in school.
So I mailed Nega and asked how it went with Tsukimiya,
and she answered with just the word "nothing"

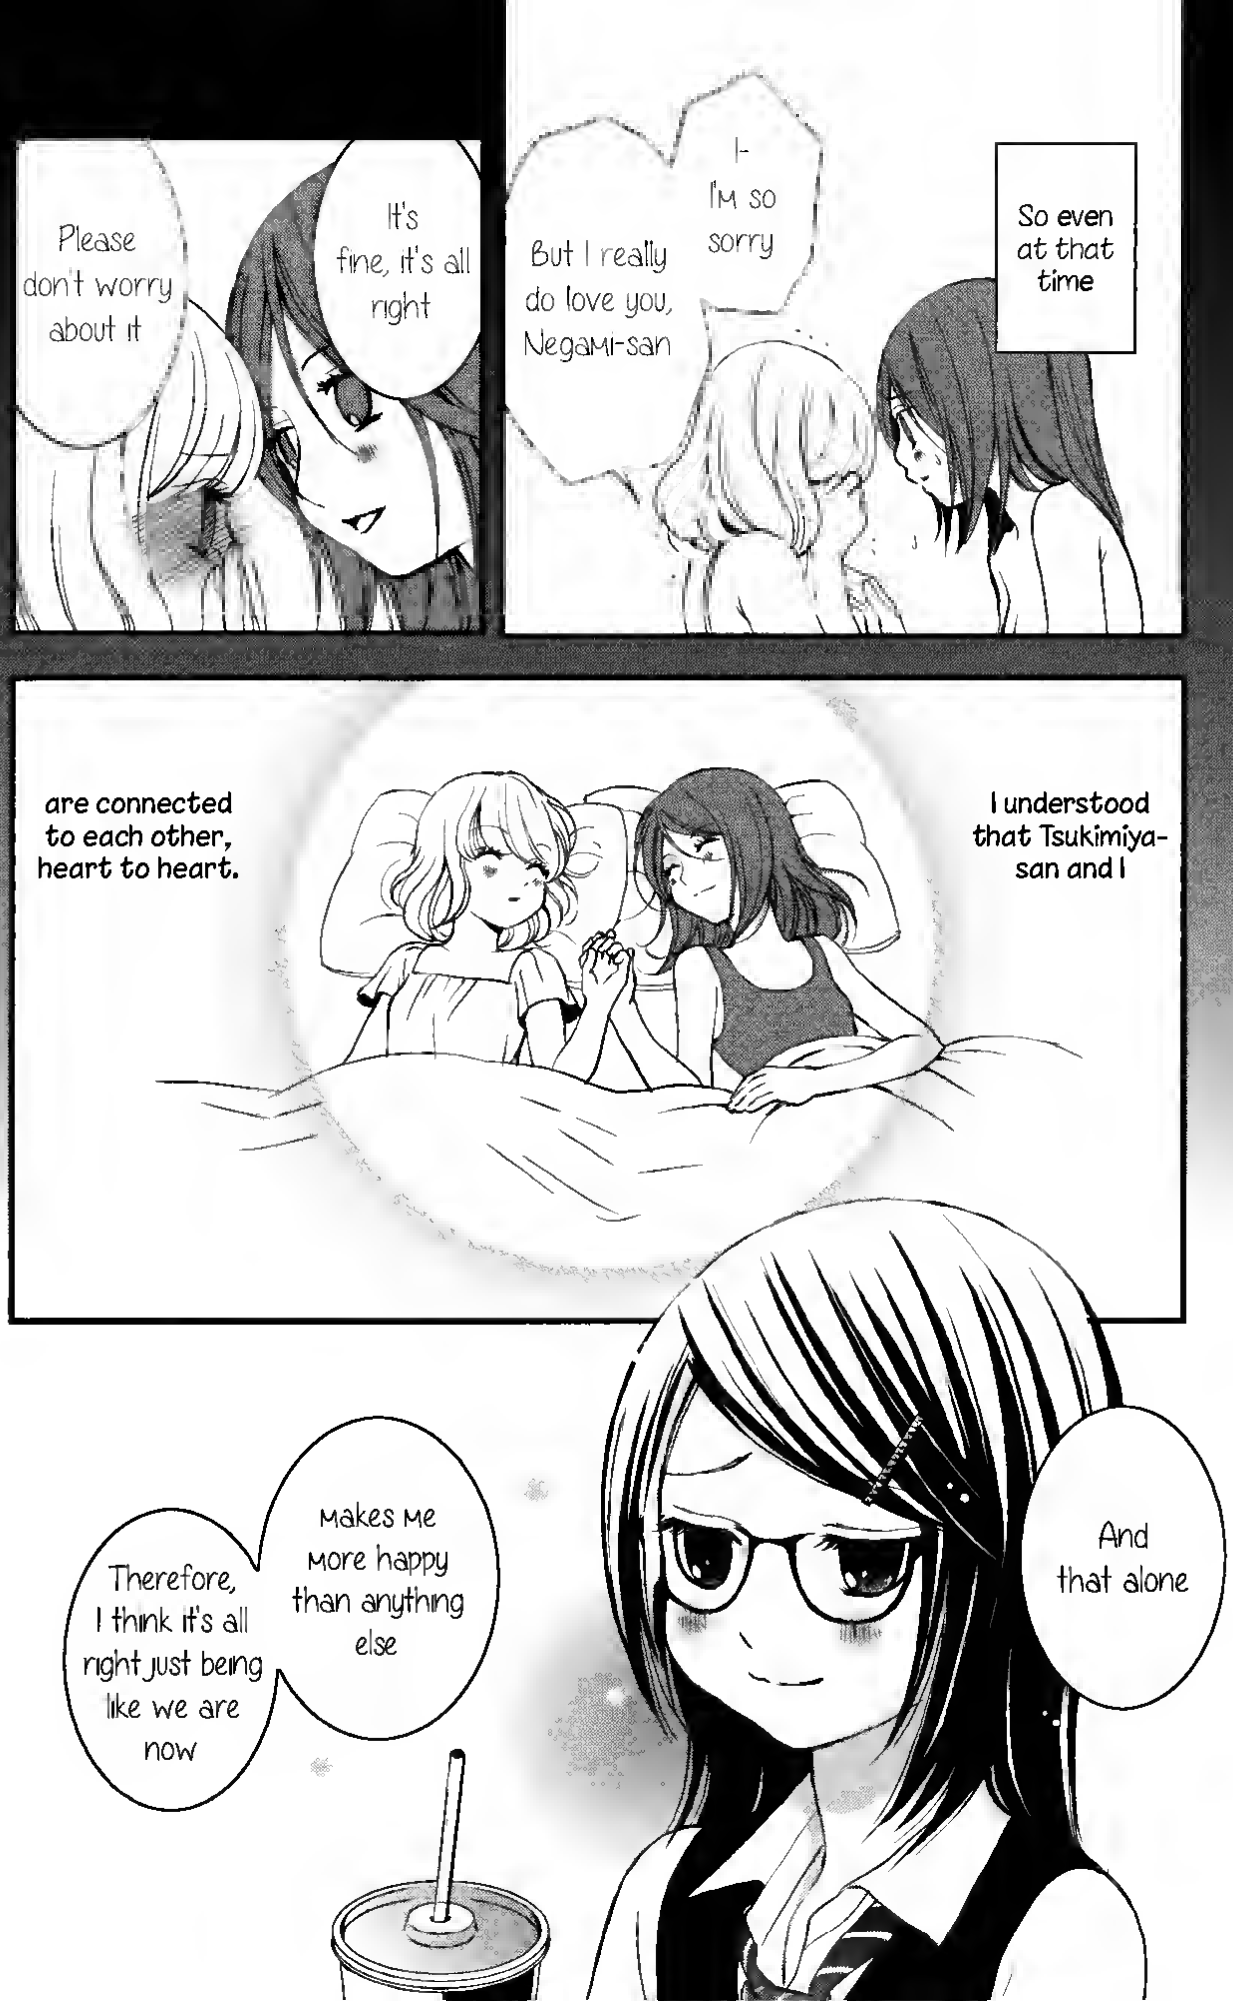
Yeah
But Let's do it one more time first ♡
I wonder if she'll become all helpless again
Probably
Something like this
No matter what, she probably feels kind of down now
Let's go see how she is
Well, we have lunch break soon

I think that's a good idea to start with
It's the one that came with it
Should I use this lens?
So I got her old single-lens reflex camera But I can't quite under-stand it

Yeah, so
My sister just bought a new camera
PHOTOGRAPHY CLUB

I wonder if I'll be able to use it
With auto mode it should be quite easy
It's amazing!
But you never use auto mode, and look how well you do
Being able to take pictures like you do with toy cameras and your mobile phone is really impressive!
But you have a really good sense of composition.
PHOTOGRAPH
...
Ah, Nana-chan!
Welcome, Ker-san
It seems it is like usual, huh
Yeah, things are like usual here How so?
Well... I suppose that's fine then
It's all right.
ALL RIGHT! I'LL TAKE A LOT OF PHOTOS AND PRACTICE EVERY DAY!
WILL YOU TEACH ME HOW TO USE IT?
Sure! I'll help you out as much as I can!
Ah... But...
What is it?
The usual me would probably be down in the dumps now.
But now it's different.

I noticed something about Tsukimiya-san lately.
She's actually quite easygoing.
Being a girl, she seems strangely all right with being alone.
Well, I always get stuck when I start doing something I like
But that's since I've always been
Yeah! Sometimes people get angry at me for not being sociable, though
You've been together with me all the time lately
Are your friends all right with that?
I wonder why Tsukimiya-san started liking me.
Ah, that's how I've been as well
I don't have a sister, though
I've always been playing by myself
And since my sister and I were so apart in age
My parents were always busy at work
Why I feel so calm when we're together
But I think I've started to understand
For that you need to set the aperture priority to automatic exposure, and
excited
I want to make it this fluffy and sparkling!
After all, we seem quite different from each other.



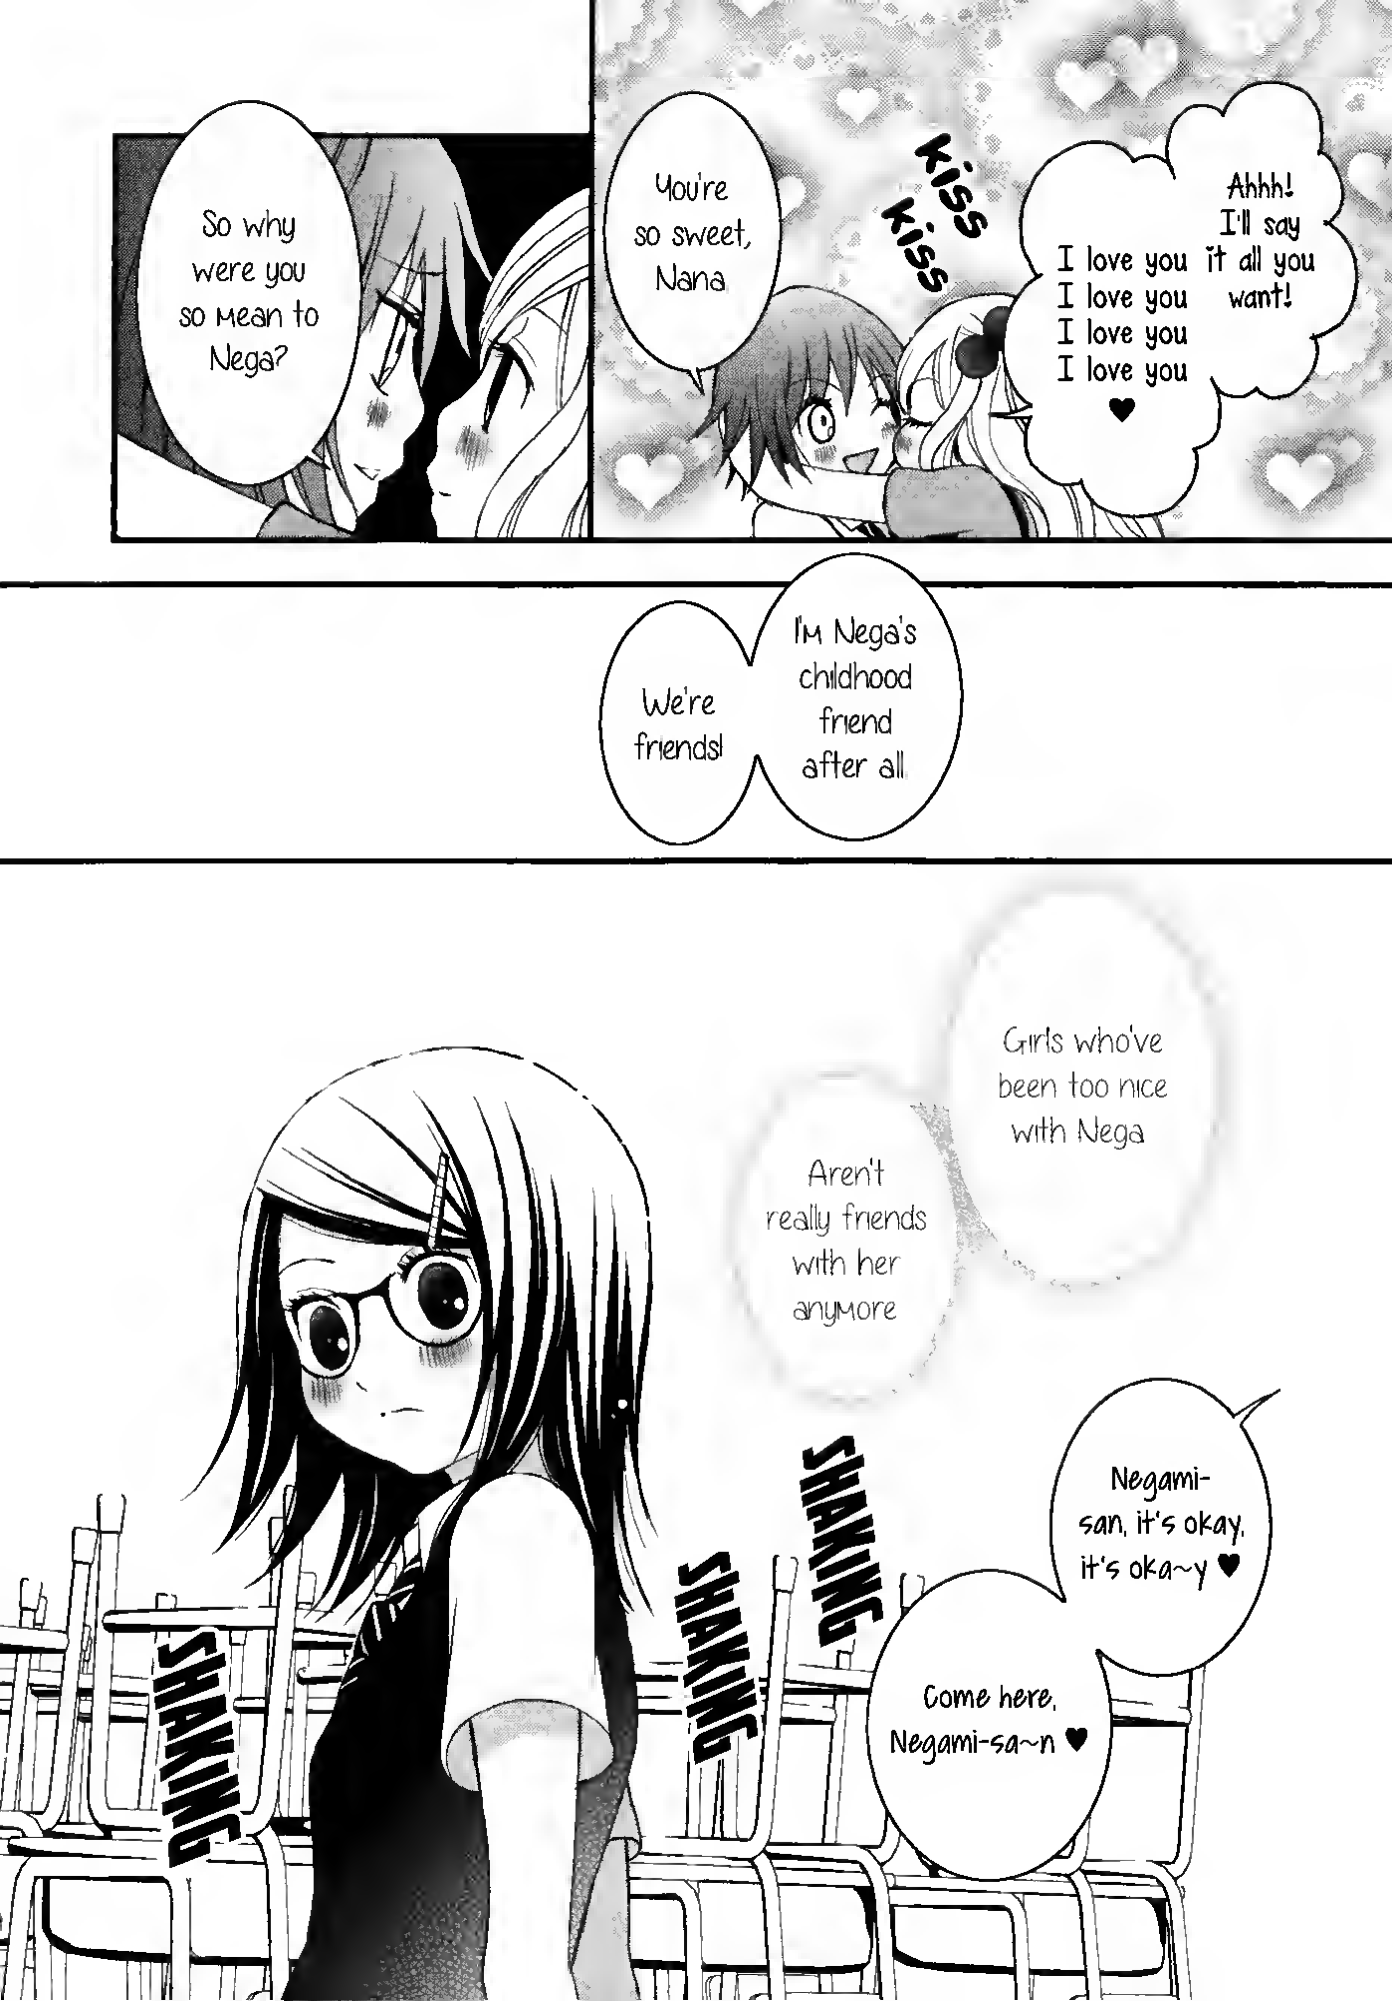
So even at that time
I- I'm so sorry
But I really do love you, Negami-san
It's fine, it's all right
Please don't worry about it
I understood that Tsukimiya-san and I
are connected to each other, heart to heart.
And that alone
Makes me more happy than anything else
Therefore, I think it's all right just being like we are now

EH ?!
THAT'S RIGHT.
WELL, THEN THAT'S JUST FINE, I SUPPOSE.
...
HMM
I understand
Well
Though if it were me, I wouldn't be content with it
Just being connected to each other in a spiritual sense
hmph
IT'S LIKE JUST BEING IN A RELATIONSHIP UNTIL SHE GETS A BOYFRIEND, OR JUST BEING A TOY FOR HER SEXUAL CURIOSITY, OR BEING TREATED LIKE SEX BETWEEN WOMEN DOESN'T COUNT.
I DON'T CARE ABOUT BEING CONNECTED HEART TO HEART OR NOT, I JUST WANT TO HAVE SEX WITH GIRLS I LIKE!
Or she says sex with her boyfriend is just too "naughty♡"
Well, just go out with me instead of him, then
But I suppose...
There are people who are content with being together without having sex

"Don't give up like that!" "You push-over!"
I thought I would get yelled at like usual.
...
And if you and Tsukimiya-san are happy with that, then I think that's fine

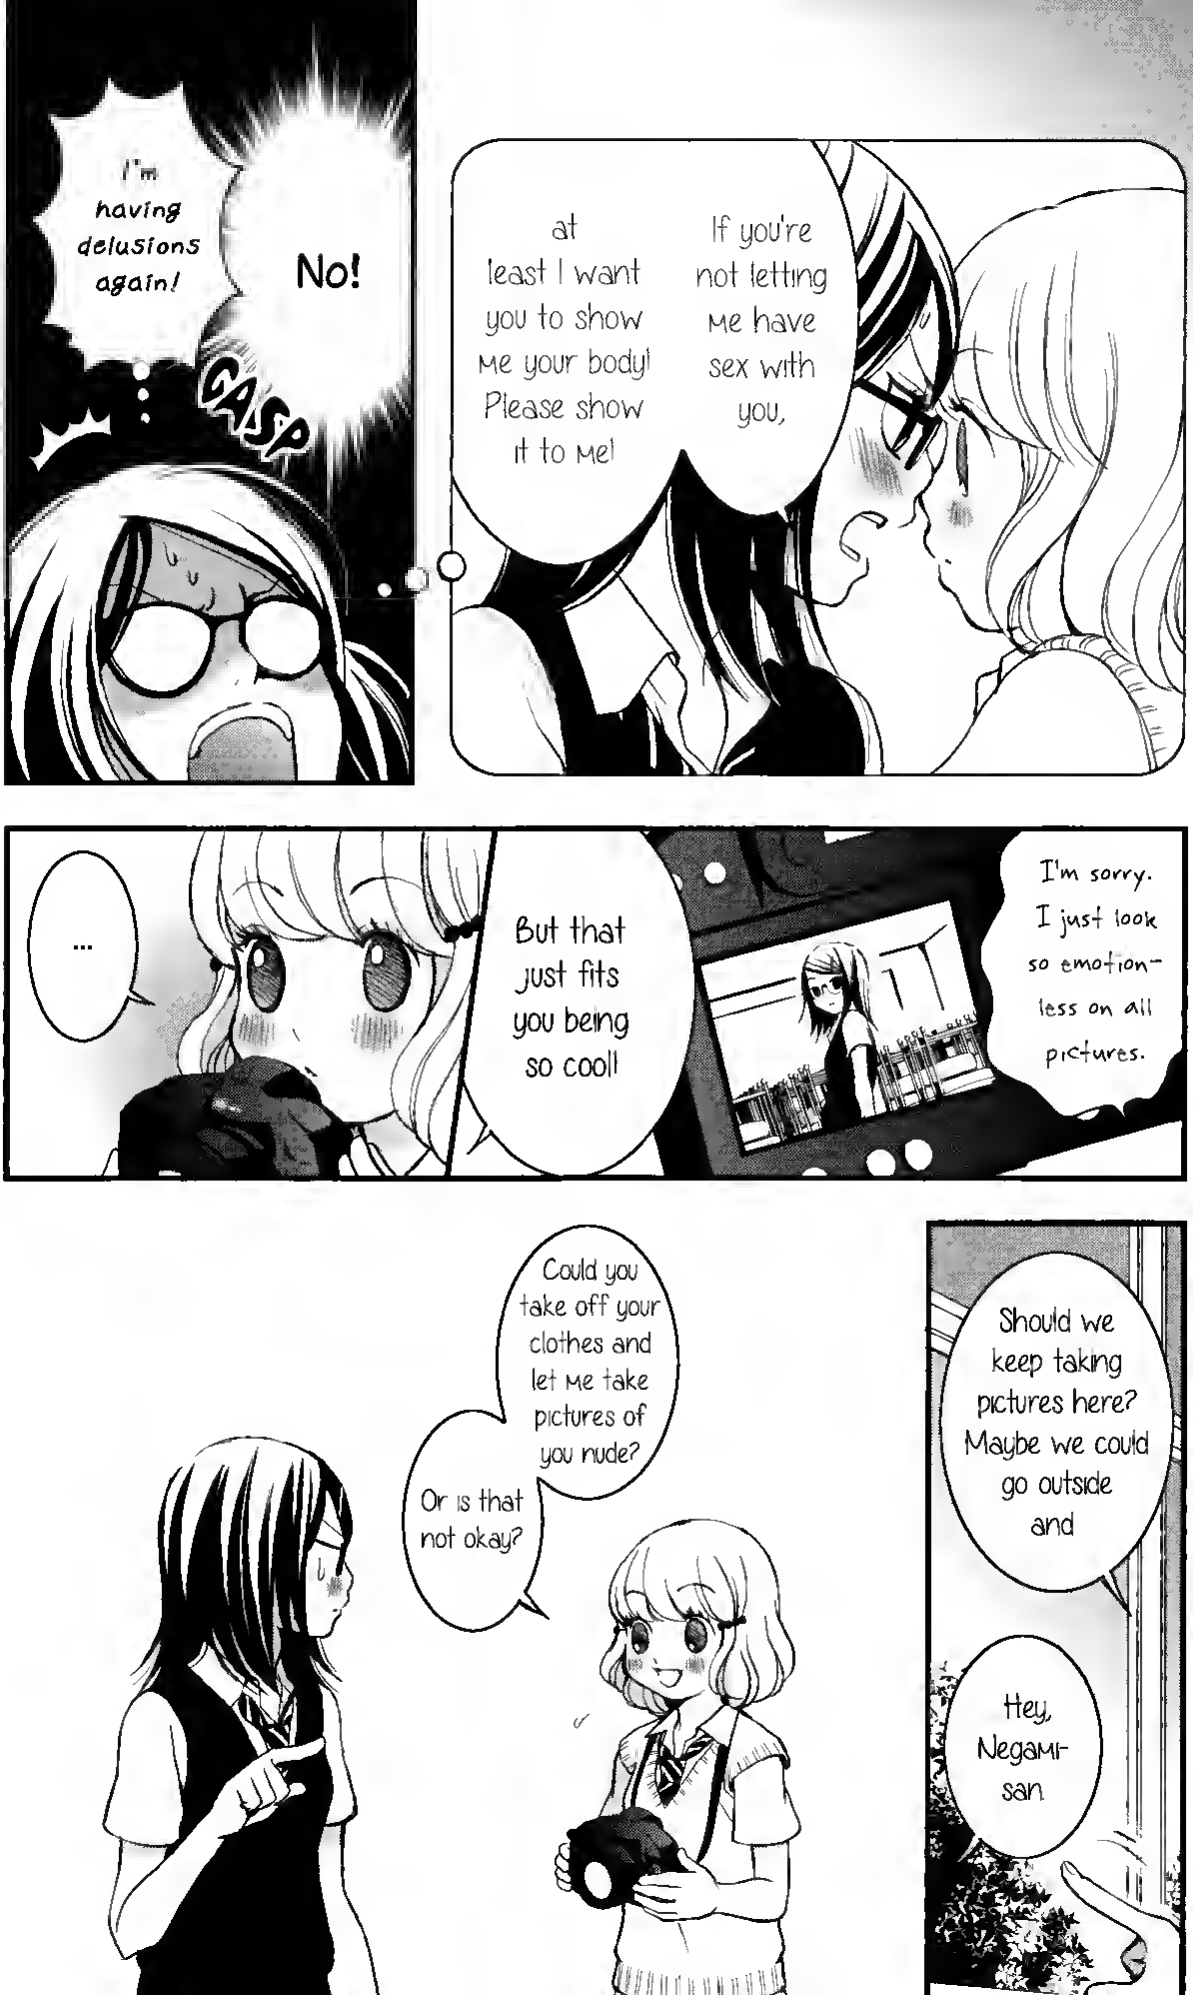
Well then. I suppose this is good enough after all.

But what you said was kind of unexpected for me too
Eh?
I thought you've always been the one taking all kinds of girls you meet to bed
But you've had some horrible things done to you, after all
Yeah And therefore
It's a bit scary knowing that you might leave me one day as well
S-stop that!
I'm not like that!
Don't make me into one of those girls!
irritated
I love you for real!
Yeah
Why you!
THAT WAS JUST TO MAKE ME SAY THAT, WASN'T IT?!
Hehe.



So why were you so mean to Nega?
You're so sweet, Nana
kiss kiss
Ahhh! I'll say it all you want!
I love you
I love you
I love you
I love you
♥
We're friends!
I'm Nega's childhood friend after all
Girls who've been too nice with Nega
Aren't really friends with her anymore
SHAKING
SHAKING
SHAKING
Negami-san, it's okay, it's oka~y ♥
Come here, Negami-sa~n ♥

Ah ha ha!
What are you, an old nude model camera-man?
I've become close enough with Tsuki-miya-san to joke around like this.
Without even noticing it,
Smile! Smile!
You're really cute, Negami-san!
Which one?
Come take a look
I wonder if this one is all right
Being like this is more than enough for me after all.
I'm truly happy.
Y- Your breasts!
If anything seems wrong please tell me so
Ah... you want to say something?
Ah!
What do you think?
clinging



I'm having delusions again!
No!
GASP
If you're not letting me have sex with you,
at least I want you to show me your body! Please show it to me!
...
But that just fits you being so cool!
I'm sorry. I just look so emotion-less on all pictures.
Could you take off your clothes and let me take pictures of you nude?
Or is that not okay?
Should we keep taking pictures here? Maybe we could go outside and
Hey, Negami-san

Art?
Yeah! Your shoulders and your back are so beautiful
You're really slender and stylish!
O-OF ME...
NUDE?!
Ah! Not like any sexual photos!
I mean beautifully and artlike...
Ah... So that was what Tsukimiya-san was thinking about
at that time.
So beautiful
She thinks my body is beautiful?
I-It's all right
...!
WELL, THEN YOU HAVE TO TAKE OFF YOUR CLOTHES, TOO!
CLENCH
Kyaa!

Eh?
rustle
I'M NOT HAPPY!
I'M HAPPY THAT YOU WOULD CALL ME BEAUTIFUL, BUT
NEGAMI-SAN?!
thud
yank
YOU CAN'T JUST LET ME BE NAKED!
That makes me lonely!
you just think my body is nothing else than "beautiful."
Ah!
SLIP
Even though I'm looking at your body with such dirty eyes,

BUT IF THAT MEANS I CAN BE BY YOUR SIDE...
THEN THAT'S FINE!
AND I'LL RESTRAIN MYSELF UNTIL THE DAY THAT I DIE.
SO PLEASE AT LEAST SHOW ME YOUR BODY!
Ah
uh
sob
I'm sorry
GASP
Now I've done it!
P- PLEASE FORGIVE ME...

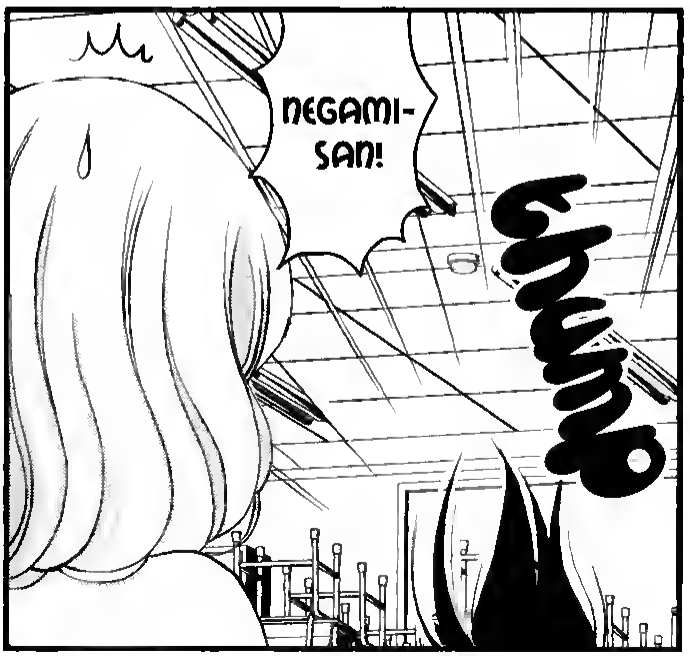
Ah!
slip
If my body is all right, then
please look
That's right I'll undress as well
kiss
!
N-NO, THAT'S NOT...!
Is this another dream? Just a delusion?
Also sorry for lying to you
I actually wanted to look at your body in a sexual way too
loosen
EHHHHHH?!

But I've regretted that ever since

Seeing your slender and beautiful body at that time,
I was too embarrassed to show you mine
So I refused without thinking

Whenever I saw you, I always started having delusions
And it was so hard for me to accept how I felt
Ah, how shameful of me

COULDN'T you have said that a bit sooner?
S-sorry



NEGAMI-SAN!
SHUNO

I... was so hurt when... you refused me!
I'm sorry
What am I saying?
That's right!
My... my friends have always told me I don't speak enough, too

I just thought... you didn't love me after all, and... I was... so scared
drip drip
I'm really sorry
Even though I lied and said it was all right at the time.

But it's all because Tsukimiya-san is so kind!
I love you! I really do!
I'm just worrying Tsukimiya-san by crying like this.

nod
Is it all right now?
I can't speak well my mind well..
!
But Tsukimiya-san understands what I want to say.
Ah
Do it to me too
Y-yes
She's so kind and I'm so happy.

Even more.
Yeah But
I understand I love you too
Tsuki-Miya-san
I love you
Even more than I did before

Too bad I never came though
Ah...
I was so happy I must've been dreaming.
Mm...
Ah, school's already over.
YEAH, THAT'S RIGHT!
I'm so bad at this...
I- I'm so sorry...
Ha ha
I want to do this a lot and become even better at it together with you!
...!
That's why
I want to do it again soon♥
I'M REALLY SORRY!
Uh!

Are you angry?
No...
I- I'm just happy...
Flirting with each other.
Sometimes being a little mean.
Messing around.

You... REALLY had fun saying that, didn't you?
Sorry! ♥
giggle
You were just too cute! ♥

How should I say it? Somehow...
We're starting to look like lovers...
But we are!
I've still had Tsukimiya-san smiling next to me.
And even though I'm still not all that confident,

fin.

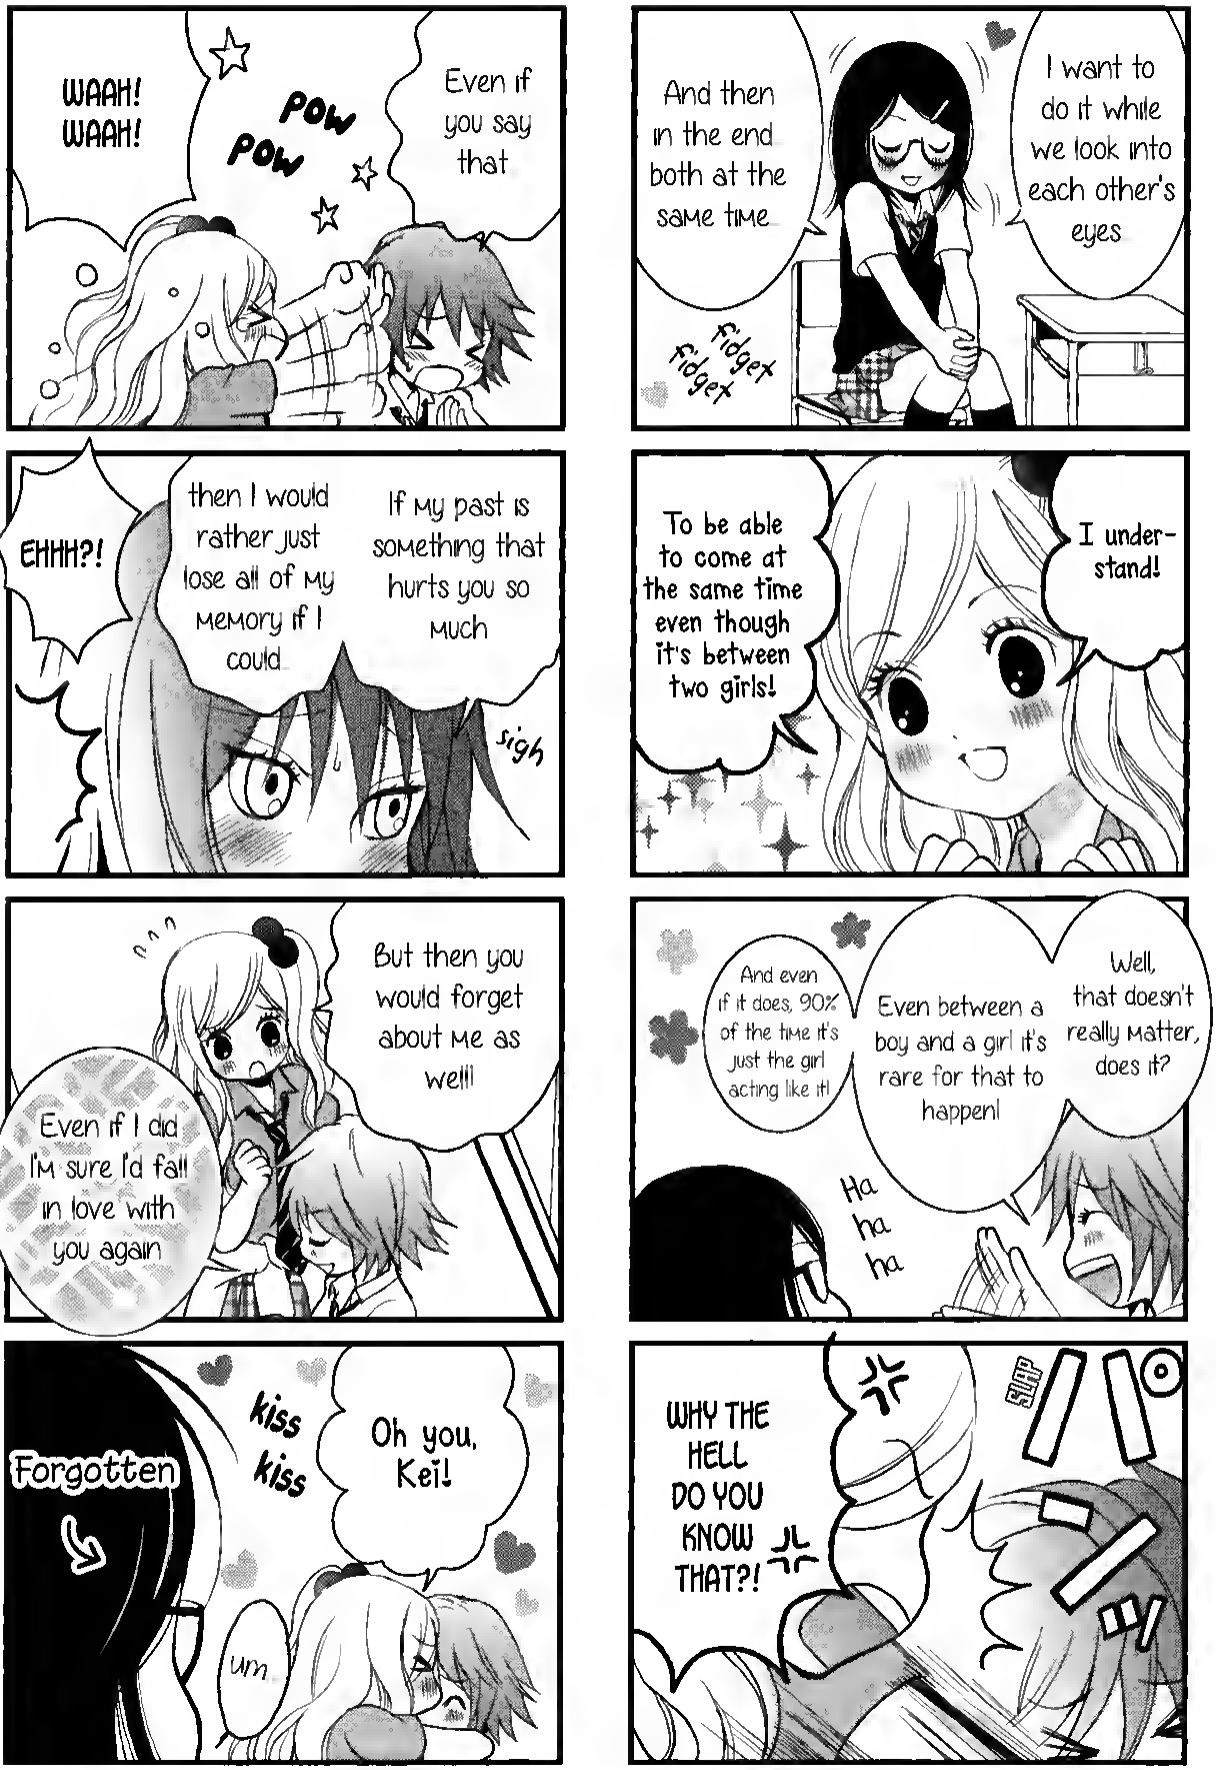
Eh?
United in what way?
Girls' Union Training
I- I mean...
The thing when your ●● are touching, so to speak
blush
Eh well
Like when two girls are joined together like that
AHH! YOU'RE TALKING ABOUT SCISSORING?
And I was trying to be discreet about it!
Like this?
hug
N-not like that



WAAH! WAAH!
POW POW
Even if you say that
And then in the end both at the same time
fidget fidget
I want to do it while we look into each other's eyes
EHHH?!
then I would rather just lose all of my memory if I could
If my past is something that hurts you so much
sigh
To be able to come at the same time even though it's between two girls!
I understand!
But then you would forget about me as well!
Even if I did I'm sure I'd fall in love with you again
And even if it does, 90% of the time it's just the girl acting like it!
Even between a boy and a girl it's rare for that to happen!
Well, that doesn't really matter, does it?
Ha ha ha
Forgotten
kiss kiss
Oh you, Kei!
um
WHY THE HELL DO YOU KNOW THAT?!

What is it?
You're just letting her go without explaining more?
Do you think they'll be able to figure it out themselves?
Eh? Well, then I suppose it's not really necessary to
MEMO
But if you take it too gently I suppose you won't really come
What is this? This is weird!
Wh-whoa...
smirk
thump
ISN'T THAT GOOD TOO?
BUT TO NOT BE ABLE TO COME...
But it'll be hard to come if you're like that, won't it?
I suppose doing this with my hand would be better?
And so...
Y-YES!
Good luck to you and Tsukimiya-san!
And it won't end soon!
Ah
Ah
Ahhh
Then I'll do this with my Legs
The girls' yuri-style training has just begun! ♥
Hey
Not the end!!

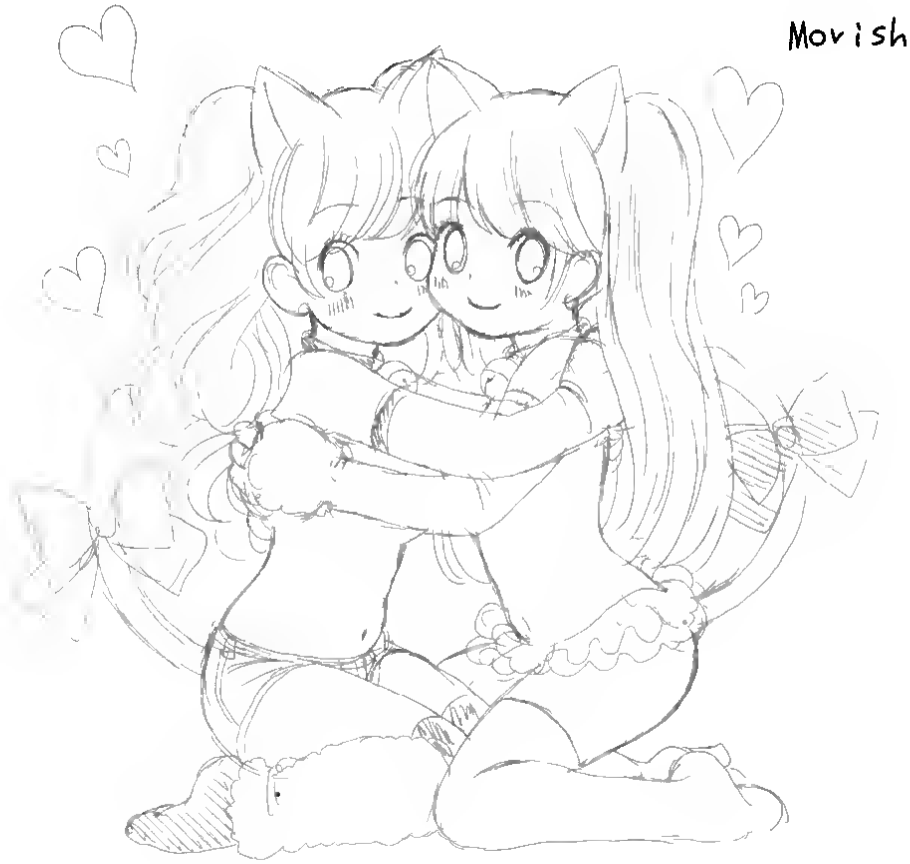
Afterword

Whoa! Working with drawing sexual stuff like this is quite embarrassing, but my old stuff I've drawn is really even more embarrassing! Uwah!! I probably did run a bit wild drawing this 4-koma manga this embarrassing. (laughs) I'm sorry...

There's an extra bit under the cover as well ♥
(And please consider this a spoiler while reading it. Hehe ☆)

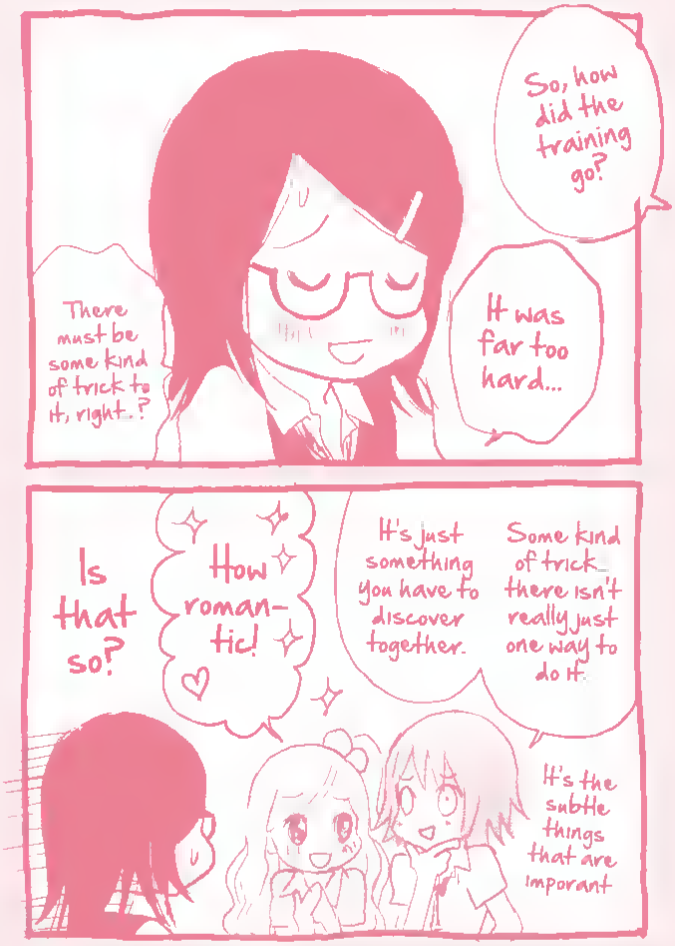
Thanks to: S-san for giving me advice about cameras, Erosennyo-san for answering my questions about scissoring, K-chan for helping me with colouring the illustrations, and all of you who have been reading up to this point!

Morishima Akiko



Continuing from page 146

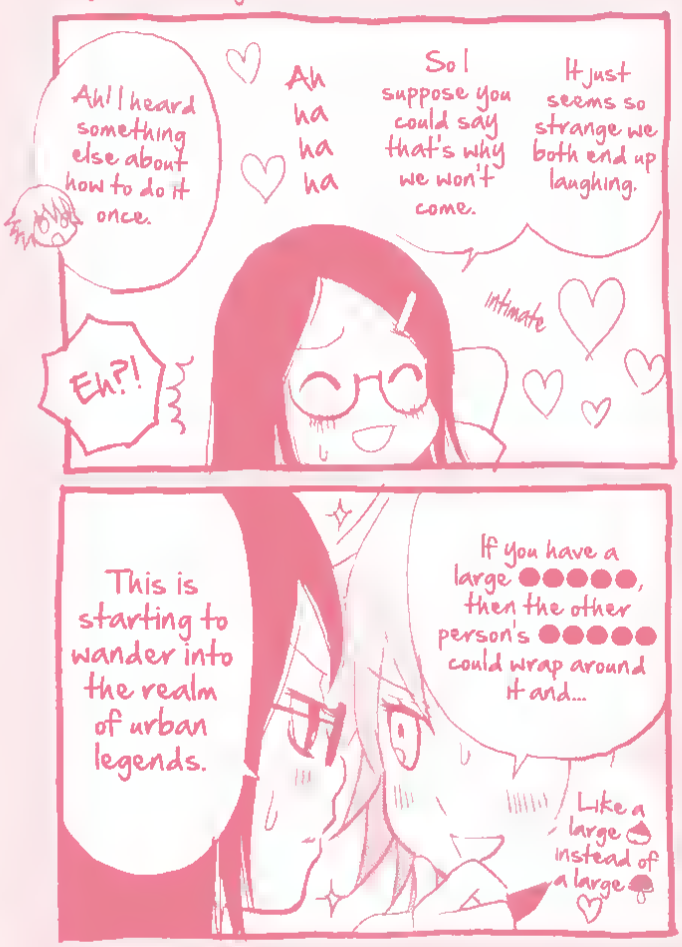
Extra part of the extra chapter



So, how did the training go?
It was far too hard...
There must be some kind of trick to it, right...?
Some kind of trick... there isn't really just one way to do it.
It's just something you have to discover together.
How romantic!
Is that so?
It's the subtle things that are imporant

森　島　明　子

→ Continuing from the front cover



Ah! I heard something else about how to do it once.
Ah ha ha ha
So I suppose you could say that's why we won't come.
It just seems so strange we both end up laughing.
Eh?!
intimate
This is starting to wander into the realm of urban legends.
If you have a large ●●●●●, then the other person's ●●●●● could wrap around it and...
Like a large 🍄 instead of a large 🍄

The end
